Hello everyone,

Welcome to our Christmas meeting and a very short newsletter. I hope you have finished some Christmas decorations to hand over to Michelle for our tree in the Holy Trinity's Tree Festival. Do go and have a look at all the trees if you can. The programme for the Church's 125 Celebration Weekend will be on the table by the door.

Some of us made a pretty decoration at Horsham Quilters last week and we thought it would be a fun activity for our Christmas meeting. Please bring your sewing kit, including a reel of green or grey sewing thread, a large eyed needle and a pair of large scissors. If you have your own Christmas fabric (a selection of 6 designs - you only need a small piece of each, no larger than 8" square), that you would like to use bring that along. I will bring a selection of Christmas fabrics.

Don't forget your cards for the Christmas card exchange if you want to take part.

Sarah has completed her series of Stitch One Stitch - I hope you all found it very helpful and if you are also working them into a book cover or panel do bring it along to show us when it is finished as we would all love to see them. This all began in March 2021 can you believe! Many thanks Sarah for your commitment to this project.

I am looking forward to seeing you on Thursday afternoon,

Happy Christmas,

Jan
